## Fundraise with confidence

Fundraise confidently with Carta's insights from 40,000+ cap tables, market valuations, real-time data, and dilution modeling for investor meetings.

## Close rounds with automated SAFEs

Streamline SAFE issuance with Carta's automated tool. Generate, track, and sign SAFEs in one place, with automatic cap table updates. Reduce email exchanges and save time for you and your investors.

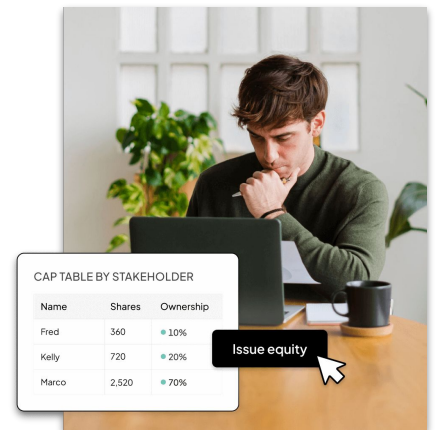

## Issue employee equity instantly

Manage equity effortlessly – Issue and track equity easily, regardless of company size, and employees gain clear insight into their stake.

## Getting Started

- Visit your organization's unique Launch sign-up link or email [partnerships-apac@carta.com](mailto:partnerships-apac@carta.com) to get started.
- Fill out a simple form with some basic information and click **Sign up**.
- Input your company details.
- Start managing your equity like a pro.
